This book exceeded my expectations. It was such a great preparation for the trip, and invaluable while I was there. It was my first and possibly only time to go to Rome, but I felt confident and was able to jump right in once I arrived, leaving very content at the end of the week. I was able to do and see so many things I would have otherwise

missed. If you want to go to Rome as a pilgrim and make the most of every minute you're there, this is the book for you. 3 of 3 people found the following review helpful. The maps and tips help you find the many churches easily. Once you find the churches, it's like you found a treasure! The book provides facts about the churches with additional highlights to look for at each church. I bought the backpack edition of the book due to cost, but I wish I bought the color edition (I still might!). I highly recommend purchasing this book in the color edition, you will not regret it but be glad you did!

(Color Edition) Experience the grandeur of Rome's art, architecture, history and - above all - faith. This Guide 4 Pilgrims includes almost 800 awe-inspiring images, from more than a hundred of Rome's most important pilgrim sites, found in twelve convenient walking tours that include detailed color maps. For the pilgrim, Rome bears witness to twenty tumultuous centuries of Christian history, like no other place. The Eternal City's abundance of sacred treasures can overwhelm, however, especially when so many tourist guides fail to focus on the faith. This is the indispensable Guide 4 Pilgrims on Rome and the Vatican. Whether travelling there or simply enjoying it from an armchair, pilgrims can experience the human drama that has always defined the Eternal City: from ancient emperors and martyrs, to Renaissance popes and artists, to the enduring legacy of Rome's architects and saints. Christianity has always demanded Rome's attention, just as the Eternal City has commanded the world's. Regardless of the passing of brutal emperors and empires, however, Rome confirms that the gates of Hell have not and shall not prevail against Christ's Church. (Color Edition offers a full color interior with almost 800 unforgettable images. This edition appeals to most pilgrims, whether of the traveling or armchair variety.)

Teresa Tomeo, Catholic Radio Television Host Pilgrimage Leader to Rome The Vatican for over 10 Years "This book is at the top of my list as one of the most comprehensive Catholic travel guides to Rome. I especially love the stunning images, interesting facts about the saints and our Catholic faith, as well as all of the travel tips included in this book. I am taking this book with me on all 4 of my pilgrimages to Rome this year." Steve Ray, Catholic Apologist Pilgrimage Leader "If you take one book to Rome, take this one! If you want one book to help you through Rome and the Vatican, this is it. Loaded with information from a spiritual and historical point of view. Especially excellent for Catholic pilgrims. Full of pictures, facts, detailed and pertinent information. It is in my pack on every trip." From the Author Most tourists are fascinated by the brutal imperial history of Rome, or the artistic beauty of Renaissance Rome. But they and their guides often miss a more important story. Even before Rome destroyed Jerusalem's Temple in 70 AD, Saints Peter and Paul had arrived there, spreading the Gospel and establishing the foundation of Christ's Church. Because of their sacrifices, and those of countless other martyrs, our Christian heritage was nurtured and preserved in Rome. So, over the past twenty centuries, the Church has had to struggle through seemingly endless persecutions, fires, martyrdoms, earthquakes, plunders, and heresies. But by the grace of God, and the heroic virtue of saints, the Church has always prevailed. Today, for anyone who wishes to fully appreciate Christian history, the Eternal City is more than an interesting tourist destination. Rome is a holy, historic pilgrimage. From the Back Cover Rome bears witness to twenty tumultuous centuries of Christian history, like no other place. For today's faithful pilgrim, however, the Eternal City's abundance of sacred treasures can overwhelm, especially when so many tourist guides fail to focus on the faith.
