Rough Guides, Greg Ward : Rough Guide Directions Las Vegas before purchasing it in order to gage whether or not it would be worth my time, and all praised Rough Guide Directions Las Vegas:

Slim, stylish and pocketable, Las Vegas Directions is full of ideas for stop-overs and long-weekends to one of World's most dynamic city break destinations. The guide is richly illustrated with specially commissioned photographs. The full-colour introduction features 19 themed spreads - from the best casinos in town to the wildest entertainment in "Sin City". The main section of the guide, "Places", gives a district-by-district account of every, hotel, restaurant, shop, club and wedding chapel - all generously illustrated. Every listing and review is located on accompanying user-friendly maps.
