MacMurdoExcellent new addition to the collective works on small towns and their impact on and support from the Mother Road. Should be in all true "roadies" collection.0 of 0 people found the following review helpful. Great book, full of color pictures.By Thomas T.Gift but looks good.3 of 3 people found the following review helpful. Showcasing the Mother RoadBy Rhys A MartinJim is an excellent author and brings his unique voice to this showcase of The Mother Road. Many accounts have been written about this historic highway, but Jim's new book does an excellent job at balancing historic significance with modern conditions. It's enough to inspire newcomers and old roadies alike to set out on a new journey. Lots of great photos throughout, too!

Part legend, part nostalgia, part working highway, part touchstone to an America of the past, Route 66 is the only road in the United States that American and international visitors read about without leaving their homes.Route 66: America's Longest Small Town takes the reader on a virtual roadtrip, telling about the highway's legends, stories, people, and businesses that are the essence of the Route 66 experience.You will be introduced to the road's past, present, and future, including a nostalgic look at vintage diners, signs, advertisements, and roadside attractions.Featuring all-new photography along the existing and former 2,000-mile route of the highway, this book, from America's foremost Route 66 author, combines the nostalgia of a storied past with the intriguing realities of an

evolving present to create an intriguing portrait of the Mother Road of America.

About the Author In addition to writing numerous critically acclaimed and best-selling books, and hundreds of feature articles, about Route 66, Jim Hinckley has made presentations about traveling this highway internationally. His books are provided as part of a tour package by companies based in Norway and Australia. Hinckley also regularly assists with tour development, meets with tour groups and individuals traveling Route 66, serves as a Route 66 tourism development consultant for Ramada, and is a featured speaker at the Miles of Possibilities conference that is part of the 2015 Route 66 convention. Recently he accepted a position on the Route 66 Economic Development Committee that is a part of the Route 66: The Road Ahead Initiative facilitated by the National Park Service Route 66 Corridor Preservation Program.
