**Bob Moore, Patrick Grauwels : Route 66: The Illustrated Guidebook to the Mother Road** before purchasing it in order to gage whether or not it would be worth my time, and all praised Route 66: The Illustrated Guidebook to the Mother Road:

2 of 2 people found the following review helpful. Detailed directionsBy John R Goggin, Jr.Very detailed driving directions, though in a few cases out of date due to road changes.Oddly organized--each chapter describes the Route east to west, but the chapters are arranged west to east.0 of 0 people found the following review helpful. Helpful if you really want to drive as much Rt. 66 as you can!By Christine AprilMy husband and I took a road trip from PA to Arizona and used this book to help navigate Route 66 from St. Louis to Flagstaff. Very descriptive and easy to follow.0 of 0 people found the following review helpful. We are on the go!By Gal-on-the-runGreat guide for a cross Country trip.
