**(author) Tom Snyder : Route 66: Traveler's Guide Roadside Companion (Paperback) - Common** before purchasing it in order to gage whether or not it would be worth my time, and all praised Route 66: Traveler's Guide Roadside Companion (Paperback) - Common:

Presenting the exciting and nostalgic experience of driving Route 66 to roadfans young and old, this guide can make the trip along the Mother Road easier and even more exciting. It offers up-to-date routings, maps, and information on roadside attractions. It also includes stories that capture the flavour of the Main Street of America.
