**Jo Taylor : Running Gites and BBs in France: The Essential Guide to a Successful Business** before purchasing it in order to gage whether or not it would be worth my time, and all praised Running Gites and BBs in France: The Essential Guide to a Successful Business:

0 of 0 people found the following review helpful. Good advice, and they do try to talk you ...By J HynesGood advice, and they do try to talk you out of living the fantasy... as they should. But if you are determined the advice is sound and their are good reference recommendations for more in depth topics, mostly France's legal system.One day... one... day.0 of 0 people found the following review helpful. Lots of information for getting startedBy R MarshallSo far I've

only read half the book that's about running gites. The other half is about running BB's. It has lots of information and stories from people who have done it already. It brings up many things that I hadn't thought about before. It's definitely a good place to START anyway if you're thinking about doing something like this.

An important new book for anyone wishing to start a gite or bed breakfast business in France. The author covers everything readers need to know in detail, from buying the right property in the right area thru renovating and maintenance to advertising and marketing, all explained in an easy to follow format and style. Running Gites and BBs in France is the only book available dedicated to running, setting up and operating these businesses in France. It is packed with vital information and insider tips to help readers avoid disasters that can turn a prospective profitable business into a nightmare. Running Gites and BBs in France is essential reading for anyone wishing to earn an income from a French home and will save them time, trouble and money!
