A must for any saltwater angler!By David W. RodriguezI have read many books and articles on fishing. And nothing has been more in depth and detailed than, "Saltwater Fishing in California." Wheter your an expert or a novice fisherman this book will have something for you. The book not only tells how to fish it educates. One learns what type of patterns to use, in what conditions, what type of equipment one

nees, and when to use it. The instruction are clear and detailed. And offers a great variety of instruction from the basics to advaned tips and techniques. If your going to ocean fish in the West you need to read and learn from the experts. And the only way to do that is to read "Saltwater Fishing in California," by Ronnie Kovach.
