Paula Allen : San Antonio Then and Now (Then Now) before purchasing it in order to gage whether or not it would be worth my time, and all praised San Antonio Then and Now (Then Now):

1 of 1 people found the following review helpful. Love this book!By Natalie E. BullingerAwesome book! Each page shows a place in San Antonio from long ago and today. It is amazing to see the similarities and changes. I highly recommend this book to anyone who lives (or has ever lived) in San Antonio, TX!1 of 1 people found the following review helpful. San Antonio HistoryBy cardinal 101I did enjoy the book. if you are from San Antonio, the transformations of how the city has changed over the years. You find out about what was in the place of a certain building that is no longer there to what presently stands on certain areas of the city.1 of 1 people found the following review helpful. Great photos and perspective on San AntonioBy CustomerVery pleased! Many wonderful photographs and descriptions captions under each photograph. Excellent resource for history buffs about San Antonio. Informative. Comprehensive. Also a good tour guide book to bring along next time in the city.

Just as Sam Houston hoped, everyone does remember the Alamo, but modern San Antonio is so much more than that famous historic site. Building on the national recognition it enjoyed as the host of the World Fair in 1968, San Antonio is a center for the medical and biotechnology industry, as well as many multi-national companies. Twenty-first century business development blends harmoniously with Spanish and Mexican influences, local authors provide authoritative, insider text, and the archival and contemporary format of this tour offers a lively journey through San Antonio's fascinating history.
