Mark Louis Rybczyk, Mary Louis Rybczyk : San Antonio Uncovered (Uncovered Series City Guides) before purchasing it in order to gage whether or not it would be worth my time, and all praised San Antonio Uncovered (Uncovered Series City Guides):

2 of 2 people found the following review helpful. Great read for planning a trip and while you are visiting San AntonioBy robert foxUsed this book on my tablet to plan daily activities and learn about the city. I'm always interested in the culture, history and architecture of places I visit and this was a great find. Just going on a tour without background information would be boring but this book gives stories and facts that will help any visitor learn a great deal about San Antonio.2 of 2 people found the following review helpful. We look forward to using the book to help us explore this city that we love so muchBy CustomerBought two books. One for my wife and I and one for my daughter. We look forward to using the book to help us explore this city that we love so much.1 of 1 people found the following review helpful. Five StarsBy Villasylgreat book

It has been said that every Texan has two hometowns: his own and San Antonio. Its charm, colorful surroundings, and diverse cultures combine to make the Alamo City one of the most interesting places in Texas and the nation. Few writers have captured the essence of that vibrant city as does Mark Louis Rybczyk in this collection of stories, history, and fascinating facts. Mark examines some of San Antonios legends and ghost stories, takes a nostalgic look at landmarks that have disappeared, introduces some of the citys characters and unusual features, debunks a few local

myths, and corrects some misconceptions. This is a unique book about a special city. If you've never been to San Antonio, this book will make you want to go; if you've been to the city many times, this book will make you want to go back again.

About the Author Better known to fans as Hawkeye, author Mark Louis Rybczyk has entertained thousands of radio listeners on KJ 97 in San Antonio and is currently a member of The Dorsey Gang mornings on KSCS in Dallas/Fort Worth.
