I purchased it because it had been recently published and wanted up to date recommendations. It was okay on some of the attractions, although no maps were included, but the hotels and restaurants section was useless. 0 of 0 people found the following review helpful. Five Stars By Beverly G. San Diego is a lovely city on the Pacific Ocean in Southern California. The city has beautiful beaches, a warm climate, top universities, famous biotech and hi-tech companies, a great nightlife, outdoor culture and ethnic diversity. San Diego is conveniently located close to Orange County and Los Angeles and is just north of Tijuana, Mexico. Located about one hundred miles east of Los Angeles is the inland resort city of Palm Springs, California. Despite its desert location, the city became popular in the mid-20th century when it started to attract Hollywood celebrities. Over the years, Palm Springs has grown into a premier resort attracting all with its year-round sunny weather, golf courses and host of cultural attractions.
