**From Rand McNally, Chicago : San Francisco EasyFinder Map** before purchasing it in order to gage whether or not it would be worth my time, and all praised San Francisco EasyFinder Map:

0 of 0 people found the following review helpful. Great MapBy A CustomerI loved this map because we rented a convertible and using the paper maps it was flying all over the place. With the laminated map it stays put and was very easy to read, I love the map, it's the only kind I'll use now.

EasyFinder Maps are 1) Easy to handle - 2) Easy to fold - 3) Durable - Won't Tear - 4) Write on - Wipe off
