**Jeffrey Kennedy : San Francisco (Eyewitness Top 10 Travel Guide)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised San Francisco (Eyewitness Top 10 Travel Guide):

I bought the Eyewitness San Francisco book, and that book has been my go-to when I head to the city. This one has a lot of great info in it though. I feel like it's gotten more useful as I've gotten to know the city better. It's just a little too pared down for someone who is brand new to the area.2 of 2 people found the following review helpful. PerfectBy AnitaI always buy the DK Top 10 books. They are great for city breaks. We just returned from San Francisco and this book was perfect. It is the smaller size and has a great map in the back. It is filled with the best places to see without an over abundance of information. I love them and never travel without either the DK or DK top 10 book.3 of 3 people found the following review helpful. It's OkayBy M. TaylorA couple of okay tips, nothing too helpful or insightful. At least it's not a expensive book. 3 more words required to post, geez.
