Dan Harder, David Wakely : San Francisco: Points of View before purchasing it in order to gage whether or not it would be worth my time, and all praised San Francisco: Points of View:

With insider's insight, this engaging tribute to America's favorite city explores the grand and familiar icons as well as the intimate details of ""the city by the Bay.""

About the AuthorHarder has recently won the IRA/CBC Children's Choice award for COLLIDING WITH CHRIS. His work frequently appears in the Los Angeles Times Sunday Magazine.
