Joe Lubow, Laurel Rosen : San Francisco's 49 Mile Scenic Drive: The Guidebook before purchasing it in order to gage whether or not it would be worth my time, and all praised San Francisco's 49 Mile Scenic Drive: The Guidebook:

2 of 2 people found the following review helpful. Great buy. By jUDITH The 49-Mile Scenic Tour is a great way to see San Francisco at your own pace and you can make your own choices about where to spend more or less time. This book is worth the purchase just to have the turn-by-turn directions as it's hard to sometimes find or see the street signs. We also purchased the SF Guide Map as it has the tour highlighted in red. With both the map and the directions we had no difficulty navigating our way. The book gives detailed information about each area covered by the tour. 1 of 1 people found the following review helpful. The quintessential guide to the 49-mile drive By David Carter This is the second time I've purchased this book (I lost the first copy) and upon receiving it I remembered why I purchased it in the first place. This is THE quintessential guide to the 49-mile drive.

At last, a guide to the Drive. The best tool for seeing all of San Francisco in a day is a gem called the 49 Mile Scenic Drive, which has been leading locals and tourists to the city's major sights, fascinating neighborhoods, and breathtaking vistas since 1938. San Francisco is an ideal destination, but navigating the city can be tricky. The 49 Mile Scenic Drive is a hidden key to San Francisco that hands travelers a ready-made way to organize a day, or several days. Like having a friendly, knowledgeable local in the passenger seat, this guidebook helps visitors follow those distinctive seagull signs and shares trivia, history, local stories, and lore along the way.

About the Author Joseph M. Lubow is a freelance writer and editor who focuses on travel writing and lives in Santa Cruz. Native San Franciscan Laurel Rosen is a freelance writer and researcher. Her work has appeared in many publications, including the San Francisco Chronicle and Seventeen.
