Christopher Pollock : San Francisco's Golden Gate Park: A Thousand and Seventeen Acres of Stories before purchasing it in order to gauge whether or not it would be worth my time, and all praised San Francisco's Golden Gate Park: A Thousand and Seventeen Acres of Stories:

0 of 0 people found the following review helpful. Fascinating! By R. Homan Fascinating account and well-researched. 0 of 0 people found the following review helpful. Bring it back in print! By James Klagge There is apparently no book in print about SF's Golden Gate Park. This was nice. Bring it back into print! 0 of 0 people found the following review helpful. There are parks and then there is the Golden Gate Park By Ken As a kid (40s, 50s) I spent so many family days in GG Park. Pure magic.

The only fully illustrated guide to the park, this book is filled with color photos and stories celebrating this historic and distinctive urban oasis.

About the Author Christopher Pollock is an award-winning designer whose projects have been featured in Sunset, The San Francisco Chronicle, and Metropolitan Home, as well as several professional journals and books. His work has included an essay for the San Francisco Examiner Magazine, a design workbook, and a textbook. He has lived in San Francisco for more than twenty years. San Francisco resident and Golden Gate Park fan Erica Katz is a commercial photographer. Specializing in both studio and location photography, her career includes a variety of clients in the Bay Area and beyond. She has exhibited throughout the country and has worked with the International Center of

Photography in New York, the Richard Avedon Studio, and the Parsons School of Design.
