Mark Bachman : Sandy (Steelhead River Journal) before purchasing it in order to gage whether or not it would be worth my time, and all praised Sandy (Steelhead River Journal):

0 of 0 people found the following review helpful. Great Book...just a little dated.By gogglespaizannoI love this book, but it was published in 1997!!! So it's little outdated in some areas, but the majority of the information is still valid.0 of 0 people found the following review helpful. DisappointedBy Jeff LaytonI was disappointed in this publication. I was hoping to learn something about the Sandy, but instead received history of the Sandy and area. Some good photos, but I wouldn't recommend this.
