**Jonathan Stalcup : Savannah Architectural Tours** before purchasing it in order to gage whether or not it would be worth my time, and all praised Savannah Architectural Tours:

0 of 0 people found the following review helpful. Not for serious students of architecture By Jonathan Borden Very limited in scope. I was expecting some detailed information about various important buildings and homes in Savannah, but was disappointed. 0 of 0 people found the following review helpful. Great Book about Savannah By Esther Marie Siegel Excellent book, great content and beautiful pictures. 3 of 3 people found the following review helpful. Great

Pictures and History  
By H. Ball  
Great pictures. We really enjoyed walking the squares of Savannah, and this book was very informative. We didn't stick to the planned walking tours, instead we'd stop at each square and then find ourselves in the book ;-)  
I really enjoyed the history behind each structure. We also used another walking tour book that was like a readers digest version with shorter sound bites, The Savannah Walking Tour Guidebook. Both were great and helped us learn more about the history of the city. As a side note you can't beat Savannah in April, everything in bloom and temps very mild.

Taking an architectural walking tour of Savannah is a great way to learn about the buildings and history of the city. This book, composed of three self-guided walking tours, takes you on a journey through Savannah's past and introduces you to the city's magnificent, historic architecture. Whether you have all day to spend on each tour or only an hour to quickly walk one route, these paths allow you to focus your sightseeing. If you cannot make it to Savannah in person, the 131 beautiful color photos give you a deeper understanding and appreciation of the city and its architecture.  
Meet the major architects who gave this city its distinctive look, including William Jay, John Norris, and William Preston, who were drawn to Savannah in its most prosperous eras to translate the popular styles of the time into Savannah's urban language. There is no better introduction to the welcoming city of Savannah, Georgia.

About the Author  
Author Jonathan Stalcup has a Masters degree in architecture and owns the firm Architectural Tours of Savannah.  
Photographer Elizabeth Osterberger owns Elizabeth Raley Photography and does freelance work for Savannah clients and national magazines.
