**Katie Mullaly : Scare-Izona: A Travel Guide to Arizona's Spookiest Spots** before purchasing it in order to gage whether or not it would be worth my time, and all praised Scare-Izona: A Travel Guide to Arizona's Spookiest Spots:

0 of 0 people found the following review helpful. To be or not to be. By Gerald S. Bringle Very good book. 0 of 0 people found the following review helpful. Not that impressive. By D. Williamson I got this book in anticipation of going on a few ghost hunts just for fun. Authors didn't really have much to say as far as hard evidence and the like. They also seem very hung up on the bathrooms of the various spots they visit for some reason. Basically a book feelings and impressions. 0 of 0 people found the following review helpful. Would highly recommend this book for

those interested in the paranormal By Becki Would highly recommend this book for those interested in the paranormal. Lots of interesting tales about haunted places in Arizona.

Tour 16 of the most haunted locations Arizona has to offer. Make friends with the ghost girl who watches over visitors at the Bisbee Inn. Meet average people who stay at the Oliver House, but then astral project along the quiet-night streets. Hear voices and footsteps of ghosts who prowl the Noftsger Hill Inn. The destinations in this book have impressive paranormal activity that are likely to give you your own spooky stories to tell, if not scare the pants off you!

About the Author Katie Mullaly's interest in the paranormal began early in her childhood and led to the creation of the paranormal group, Wailing Bansidhe Investigations, partnering with J. Patrick Ohlde. Ohlde's lifelong interest in the paranormal includes more than a decade of investigative experience.
