Trying to tell the difference between squirrel tracks and those of the Eastern woodrat? Searching for turtles or toads? Or just need to find out what animal is nibbling the lettuces in your garden? Scats and Tracks of the Mid-Atlantic will help you figure out what you're looking at and find out what you're looking for, with its superb illustrations by Todd Telander and a helpful and informative text.

From the Back CoverSee those animal signs on the trail? Was that footprint left by a dog or a coyote? Was that pile of droppings deposited by a bobcat or a fox? Scats and Tracks of the Mid-Atlantic will help you determine which mammals, birds, reptiles, and amphibians have passed your way and could still be nearby.
