Tom Barr : Scenic Driving Oregon (Scenic Driving Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Scenic Driving Oregon (Scenic Driving Series):

Few states can boast of the diversity of landscape to be found in Oregon. Eons of geologic force, and today's and tomorrow's weather, combine to provide the extreme contrasts one experiences in traveling Oregon's breadth. The state

is best experienced along its scenic byways and backroads. Scenic Driving Oregon celebrates these riches. Whether you're contemplating a day's drive through Oregon wine country or a week-long tour to sample the mountains, the rain forests, the high desert, the legendary rivers, and the enchanting coastline, you'll find helpful guidance in this FalconGuide. Written by outdoor travel writer Tom Barr, Scenic Driving Oregon, formerly Oregon Scenic Drives, describes 50 wonderful routes throughout the state. Each description provides information on travel services, camping, the best seasons, special attractions, and historical points of interest. Detailed maps and black-and-white photos complete each description, and eight pages of stunning color photos tempt you to sample Oregon's scenic wealth.
