H. L. James : Scenic Driving: The Beartooth Highway: Montana and Wyoming (Serial) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Scenic Driving: The Beartooth Highway: Montana and Wyoming (Serial):

From Red Lodge to Cooke City winds a spectacular 64-mile route known as the Beartooth Highway. Frequently

described as the most scenic drive in America, it traverses the "top of the world" at the border of Montana and Wyoming. This guidebook includes a mile-by-mile log filled with facts and road anecdotes, which enhance the geology and history of the area. For the sheer thrill of driving and raw mountain landscapes, this one can't be beat.
