Don Kurz : Scenic Driving the Ozarks, 2nd: Including the Ouachita Mountains (Scenic Routes Byways) before purchasing it in order to gage whether or not it would be worth my time, and all praised Scenic Driving the Ozarks, 2nd: Including the Ouachita Mountains (Scenic Routes Byways):

0 of 0 people found the following review helpful. Four StarsBy John SlaterBook was very helpful, but is a outdated.

Published in 2004. 0 of 0 people found the following review helpful. Four Stars By JEFF M. As advertised 0 of 0 people found the following review helpful. good reading By Thomas d cain this is a great book. It goes into detail about your places you visit it is very excellent I would recommend it to anyone

Thirty-two drives that highlight the natural and cultural history of the Ozarks--a region that extends across five states but lies mainly within Missouri, Arkansas, and Oklahoma. Stories and facts about the people, natural environment, and history of the area help narrate any visit to this region.

"Don Kurz, a writer, nature photographer, and longtime employee of the Missouri Department of Conservation, has drawn on his countless trips into the Ozarks and Ouachita Mountains and his vast knowledge of the vacation and recreational facilities of the region and its landscapes, wildlife, and plants to compile a truly outstanding guide to a series of one-day trips."--The Ozarks Mountaineer
