Dan Togyne : Scenic Maine Road Trips before purchasing it in order to gage whether or not it would be worth my time, and all praised Scenic Maine Road Trips:

3 of 4 people found the following review helpful. Road Trip FunBy TayvallichThis is a fun book to take on a Maine road trip - you can easily follow the directions and check out the old scenic byways. Having grown up in New England, I first started visiting to Maine every summer in the late 50's. Along the coast, things have changed. But inland, you can still see the Maine of years ago. Dan Togyne has managed to find these places and captured those past times beautifully in his photography.His descriptions of the old roads and the views and towns along the way are perfect. Even if you can't get to Maine to see for yourself - this book takes you there.Also check out Dan's other books - his photography is fantastic. You won't be disappointed.0 of 0 people found the following review helpful. Five StarsBy cora limjucogood guide for travelling in maine1 of 2 people found the following review helpful. Nice Read.By Laurelyn CooperI have been on many of these roads before but now will consider re-riding them paying special attention to the points of interest in the book. The book included historical information as well. The pictures were also great.

Boasting one of the oldest Scenic Byway programs in the country, Maine offers diverse landscapes such as the Western Mountains and the rugged Down East coastline. Scenic Maine Road Trips is the first of its kind to explore the outstanding character, tradition, culture, and wilderness to be discovered along these routes. This exploration through

photographs, maps, informative text and sidebars will help you discover the real Maine that exists beyond Route 1 or I-95.

About the Author Dan Tobyne, a photographer and native New Englander, has been involved in photography for more than forty years. Early in his career as a teacher of at-risk youth, he helped develop a wilderness education program that used photography as a behavior-modification tool. He is an artist member of the Marblehead Arts Association and a member of the Griffin Museum in Winchester, Massachusetts. His work is on display in public and private collections throughout New England and is featured in the books *Boston's Emerald Necklace*, *Thoreaus Cape Cod*, and *Thoreaus Maine Woods*. He lives with his family in South Hamilton, Massachusetts.
