About the Author Jenny Lefferts, the entrepreneurial force behind MAD Maps, learned her love of scenic road travel from her father, whose idea of a summer vacation was a family road trip in the '72 VW bus. In 1987, Jenny purchased her first motorcycle. She was instantly hooked and began searching the area for the best day trips around San Francisco. The seed for MAD Maps was planted. Now the company offers the best kept secrets of North American back roads with their Get Outta Town, US Regional Touring, and Rally Run series.
