Randi Minetor : Scenic Routes Byways New York before purchasing it in order to gage whether or not it would be worth my time, and all praised Scenic Routes Byways New York:

0 of 0 people found the following review helpful. Four StarsBy Tari DavisI believe this book will be helpful as we plan a trip to New York state later this year0 of 0 people found the following review helpful. Five StarsBy Zenon P.Excellent0 of 1 people found the following review helpful. General overview of roads to goBy C. BradenFairly decent review of some of the main scenic routes. I would have preferred something more specific. Finding a good

travel book for non-New York City New York has been a challenge. The rest of the state must feel like a stepchild or something. I live in the shadow of Portland, Oregon, so the rest of the state bows twice toward the big spendy mecca, so I get it, but the rest of the state seems to have much to offer, but it not really sold to tourists.

About the Author Randi Minetor traversed the beautiful routes and byways of New York state while writing this book and the recently released *Hiking Waterfalls New York*. Her books include *Backyard Birding: A Guide to Attracting and Identifying Birds* for Lyons Press, five books on hiking in New York State in the *Best Easy Day Hikes* series, and five books each in the *National Park Pocket Guide* and *Guided Tours Through History* series, also for Globe Pequot Press. She is best known for her *Passport To Your National Parks Companion Guide* series for Falcon Guides. Her husband, photographer Nic Minetor, is a professional lighting designer for theater, film, opera, dance, and television, including the popular PBS series "Second Opinion" and more than 20 seasons of the Eastman School of Music's Opera Theatre. His photos are also featured in the *Quick Reference Guides to the Birds, Trees, and Wildflowers of New York*.
