EXCELLENTBy Grandma JeanneWe love theses spiral guides from AAA. We thought this book was supposed to be used, but it's brand new with all the great little maps and walking tours we like.

More than 200 pages of slick graphics, spectacular photographs, color-coded locator maps and engaging prose written by experts make the Scotland Spiral Guide an indispensable travel companion - the one to trust at home or abroad. Entertaining prose by savvy authors illuminates popular places and introduces newcomers to those little-known gems that locals like to keep secret. This guide is flush with listings of accommodations, restaurants, shopping venues, and nightspots. And foolproof insider information helps readers spend their vacation time wisely. With its practical wire binding, this user-friendly guide lays flat and handles like no other.
