Andrea Nolan : Sea Kayaking Virginia: A Paddler's Guide to Day Trips from Georgetown to Chincoteague
before purchasing it in order to gauge whether or not it would be worth my time, and all praised Sea Kayaking Virginia:
A Paddler's Guide to Day Trips from Georgetown to Chincoteague:

0 of 0 people found the following review helpful. Thorough and well organized By Too many toys This is a great book
that is organized well for reference and supplies sufficient detail to get where you are going and make the most of the

trip. Of the three similar books we purchased, this is our second favorite (as beginners), but I expect this will end up being the most used over the years. 2 of 2 people found the following review helpful. Great start in and around the Chesapeake Bay and Hampton Roads By Samuel C 30 great paddles in Eastern Virginia are thoroughly described. If you paddle in this part of the world this is a must have reference. The author's detailed accounts give a clear understanding of what to expect along the way. Highly recommended. 0 of 1 people found the following review helpful. Five Stars By Michael Morgart Thanks.

A richly detailed guide to 30 of the best sea kayaking day trips spanning the coastline of the Old Dominion. A veteran paddling guide offers her favorite routes and insights gleaned from years of experience. Spanning the length of the coastal plain, this guide includes the Chesapeake's tidal tributaries, the eastern shore, and the blackwater cypress swamps of the south. Each route description goes beyond access points and paddling notes to include estuarine ecology, social and natural history, and sidebars covering a variety of topics from gear to wildlife sightings to local highlights. Beginning and experienced kayakers will appreciate the depth of information, including geographical, wind, weather, tidal, and safety issues. A brief introduction to other area trips effectively doubles the number of trip locations to pursue. 30 black-and-white photographs

About the Author Andrea Nolan is the former owner of Amphibious Horizons Sea Kayaking, an outfitter leading kayaking trips in the Chesapeake Bay. She lives in Annapolis, Maryland.
