Valerie D. Perry : Sea More: Caribbean: Get the Most Out of Your Day in Port before purchasing it in order to gauge whether or not it would be worth my time, and all praised Sea More: Caribbean: Get the Most Out of Your Day in Port:

1 of 1 people found the following review helpful. Come Sail Away By Jenni BI may be a little biased because I actually know Valerie, but I could not get enough of her book. I wish I had money and time to book a cruise! I put my snow days to good use by finishing up her book. I now have questions for her about her experiences mentioned in the

book, but I am also impressed with all the adventures she went on with others and by herself. Valerie has an adventurous spirit that came through well in her writing. I highly recommend this book if you are thinking of booking a cruise. I have only been on one cruise (Royal Caribbean - the cruise line Valerie worked for), but I hope to reference her book next time I am looking for a vacation spot. 0 of 0 people found the following review helpful. Worth the read for the great advice. By Skydriver We are taking our 18 20 year old daughters on a cruise in a few weeks. I have passed on a lot to them for two reasons. 1) Coming from someone else, it may be heeded! 2) There are things I know but may not remember to mention. This was a great reminder. The knowledge I feel I gained for the majority of the ports we are traveling to will be useful. I'm even more excited now than I was before purchasing and reading this book. 1 of 1 people found the following review helpful. Insightful. By JM Good insightful information. Covers a lot of ports and the author shares her experiences. Granted the enjoyment will vary person to person but she shares why she liked it and as a traveller you can judge from there. If you are cruising to any of the ports written about in this book; I think it's worth reading. It's part diary and part reference log.

Pack your suitcase and grab the sunscreen! Set sail to the Caribbean with a former cruise ship crew member as your guide. Valerie D. Perry provides insights on how to maximize your time and minimize your spending on your cruise vacation. Your port time is precious, and Valerie provides insider tips on where to shop, what to eat, and which tours are not to be missed. Get extra info via the "Bonus Advice" sections throughout the book. Make the most of your time with "Perfect Day" sample itineraries for each port. Only a crew member can provide the insider knowledge of the "Below Deck" segments on what it is like to live and work on a cruise ship. Before you embark, get the seasoned traveler's perspective on over 16 ports of call: Nassau Cozumel Jamaica Dominican Republic San Juan St. Thomas St. John St. Croix St. Maarten St. Kitts Antigua Dominica St. Lucia Barbados Curaao Aruba Royal Caribbeans Private Destinations: Labadee and Coco Cay Dont take another cruise without first checking out Sea More: Caribbean!
