From Brand: Delorme Mapping Company : Seacoast Region Street Atlas (USA StreetFinder atlases) before purchasing it in order to gage whether or not it would be worth my time, and all praised Seacoast Region Street Atlas (USA StreetFinder atlases):

But after looking through it I found several errors in street names (Duhram instead Dame Rd in Newmarket, Ascension instead Abbey Sawyer Memorial Dr in Dover). And street names are written without St, Dr, Ln or Ave part. Then at Dover Point page it's impossible locate Dover DMV because there is no Boston Harbor Rd in the atlas. Instead of it is shown the route 4. Another error which I noticed is misplacing York's Wild Kingdom to beginning of Animal road instead putting it in the end of it. All town's maps even the smallest ones are divided in 2 to 6 pages which I found not very convenient. So, I'll try to find others more precise atlases or

maps of this region. 0 of 0 people found the following review helpful. street atlas By Sandra We have three copies of this one in each vehicle and one in the house. When on the road we use maps rather than GPS;
