In the sea of books that detail the locations of the best restaurants, souvenir stores, waterslides, amusement parks, and putt-putt that humans have to offer - this book and the other seasonal guide books float on their own - and tell readers where they can find the best that Mother Nature has to offer.

This Unique Guidebook Provides All The Necessary Information About Where And When To View Natural Wonders As They Unfold In The Carolinas And Tennessee.

About the Author
John Rucker is an avid photographer and naturalist. He is the published author of several books and articles, he is a promoter of ecotourism and biodiversity, especially in the southeast. John now concentrates on his writing while living in the southern Appalachians.
