This comprehensive guide to every major entertainment and sports venue in metropolitan New York has been extensively revised for its first new edition since 1996. The updated 2nd edition (2002) includes all Broadway and Off-Broadway theatres, concert halls, and stadiums, as well as numerous regional theatres and arenas. A full seating chart is provided for each venue, color coded by price, along with all ticket ordering information. And the book also includes a user's guide, including information on different ways to score bargain tickets to top attractions. Whether you want to see RENT, take in an Opera at the Met, or catch a Yankees game at Yankee Stadium, SEATS is the only source you need!
