**Jake Jaramillo, Cathy Jaramillo : Seattle Stairway Walks: An Up-and-Down Guide to City Neighborhoods**

before purchasing it in order to gage whether or not it would be worth my time, and all praised Seattle Stairway Walks: An Up-and-Down Guide to City Neighborhoods:

0 of 0 people found the following review helpful. SmallBy SusanI recommend getting the larger size of this book. I don't like the size but I didn't know there was one this size or I wouldn't have bought it. What is inside this book is good information. That is what mattered. It was the condition as described and came quickly.0 of 0 people found the following review helpful. It was a beautiful summer dayBy Mary RI ordered this book on the recommendation of a friend. My husband and I did the Southwest Queen Anne walk over the weekend. It was a beautiful summer day, and we thoroughly enjoyed the walk. The directions were very easy to follow, and we really liked that the guide book points out historic landmarks and even some great trees. We noticed a huge beautiful tree by one of the staircases, and when I looked in the book, it said it was a European beech. I highly recommend this book!2 of 2 people found the following review helpful. Seattle stairway walksBy jaraI got this on Kindle, but, I should have bought a Book. I do lots of the Walks, but, it is much better to have a Book in hand and look at color pictures and read the print. I ended up borrowing the Book from the Library. But, the Walks are well described, and it is definitely fun to get to know different parts of the city.

CLICK HERE to download Jake and Cathy Jaramillo's favorite walk from the book, "The Olmstead Vision"(Provide us with a little information and we'll send your download directly to your inbox)\* The only guidebook to stairway walks in Seattle \* Explore Seattle neighborhoods in a new way with these interesting walks in Seattle \* Written for people of all ages who want to get outside, exercise, and exploreOften called a city of neighbor-hoods, Seattle is shaped by soaring mounds like Queen Anne and Capitol Hill and by indentations such as Ravenna Ravine and Deadhorse Canyon. Weaving together the hills, bluffs, and canyons are stairs -- lots and lots of stairs. In fact, there are over 600 publicly accessible Seattle stairways within the city limits! And to explore Seattle by these stairs opens up stunning views and a whole new, intimate side of the Emerald City.Seattle Stairway Walks: An Up-and-Down Guide to City Neighborhoods is the city's first guidebook to 25 of the best neighborhood walks that feature public Seattle stairways. Each route description includes driving and public transit directions to the starting point, full-color photos, a detailed map, QR codes for saving abbreviated directions on your smart phone, tips on sections that are family-friendly, suggestions for cafes and pubs for that perfect espresso and sandwich en route, fascinating sidebars on Seattle's neighborhood history and community anecdotes, and much, much more.

a look at 25 neighborhood walks featuring public stairways (Journey Puget Sound)About the AuthorJAKE JARAMILLO is a former marketing executive who now volunteers as a backpack outing leader with the Sierra Club.
