James Tinney, Mary Burdette-Watkins : Seaway Trail Lighthouses: An Illustrated Guide to 27 Historic Lights Along New York State's Great Lakes, Niagara St. Lawrence Rivers, Pennsylvania's Lake Erie Shoreline before purchasing it in order to gauge whether or not it would be worth my time, and all praised Seaway Trail Lighthouses: An Illustrated Guide to 27 Historic Lights Along New York State's Great Lakes, Niagara St. Lawrence Rivers, Pennsylvania's Lake Erie Shoreline:

1 of 1 people found the following review helpful. Lighthouses of the Seaway Trail By lighthousephoto Seaway Trail Lighthouses is a very nicely illustrated little volume that gives loads of information on the lighthouses along the Seaway Trail. Prior to moving back east, I probably would have never thought to find a copy of this little volume. However, I'm now in the process of using it to plan a photography trip along the Seaway Trail, probably some time later this summer for a future Marine Photography spread that I'll write for Great Laker magazine (Harbor House Publishers, Boyne City, MI). The book is inexpensive and makes a very nice addition to the library of anyone with an interest in lighthouses. I highly recommend finding a copy of this little volume. If you do order one, be certain to inquire if the color map is included with it. 0 of 0 people found the following review helpful. Three Stars By

CustomerGood but not great
