**Robert Sietsema : Secret New York: The Unique Guidebook to New York's Hidden Sites, Sounds, and Tastes (Secret Guide series)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Secret New York: The Unique Guidebook to New York's Hidden Sites, Sounds, and Tastes (Secret Guide series):

0 of 0 people found the following review helpful. book was quite old By charbook was 14 years old. i hadn't realized that when i ordered it. i don't know if that was stated clearly in the description. and when you're buying a book like

this, with a guide for things in the city, it really needs to be a bit more up to date. that being said, i'm sure we'll be able to find some things that are still relevant. at least i hope so. 1 of 1 people found the following review helpful. Secrets of Old New York By James D. Harper Much of it is outdated, restaurants that have long closed, misinformation and misguided information...this is a bad guide for today's needs major revisions 0 of 0 people found the following review helpful. A different take on NY By Gijs-Jang great book full of interesting information. Makes you want to go to NY

On other books in the Secret Series: This jewel of a book [Secret Toronto] with amazing photos by Linda Rutenberg, aims to lead the inquisitive astray NOW Magazine Secret Toronto guides locals and visitors to the unusual, frivolous, and downright quirky attractions of the city. No pre-planned tours or planned itineraries here. Globe and Mail There are dozens of published guides to New York City, nearly all of them covering the same well-trodden territory of pricey restaurants, major hotels, and shopping at pick-your-pocket prices. Here's a tourist guide with a difference. New York insider and Village Voice columnist Robert Sietsema has assembled a topic-focused book: \* Secret Metrocard, for example, explains how to get the most bang for your buck from this new transit card. It tells you how to turn a free transfer into a free round trip, and how to exploit the 18-minute secret grace period. \* Secret American Indians tells you where to find a hidden Indian cave right on the island of Manhattan. \* Secret Cheap Eats reveals where to get a delicious, multi-course meal for less than five dollars. There are chapters on how to plug into the Japanese underground, where to find the best bagel and egg cream, where to find the rock clubs that the hipsters frequent, where to rent a bicycle to tour the city, and where to ride it so you don't get run over. Secret New York gives you the inside information that natives use to get by in and even over this challenging metropolis.

From the Author Robert Sietsema is the restaurant critic at the Village Voice. He is the editor of Down the Hatch, an ethnic food fanzine, and the author of Good Cheap Ethnic Eats in New York City.
