Jim Korkis : Secret Stories of Walt Disney World: Things You Never Knew You Never Knew (Volume 1)
before purchasing it in order to gauge whether or not it would be worth my time, and all praised Secret Stories of Walt Disney World: Things You Never Knew You Never Knew (Volume 1):

of this book, and it isn't even 'great' secrets. Like, did you know Cinderella's castle doesn't come apart for hurricanes? Did you know it has forced perception by making the bricks smaller the higher you go up? I feel cheated out of my money for this book, got this for my sister who is a Disney NUT but after reading into this myself, I will NOT be gifting this to her. Just steer clear of this scam of a book (and its 'series')

By Bruce B. In preparation for an upcoming trip to Walt Disney World, I wanted some insight into the background and insider tips to the parks. Jim Korkis is the go to guy for this sort of information. Just a fun read. Highly recommended.

By Corey W. I am a total Disney fanatic and I know so much about the parks. This book opened up my knowledge even further. I go to Disney about once a month as I am an annual passholder and whenever I am there I can point out fun facts to friends and family. They call me a walking map or their own personal tour guide. I am 100% sure I will buy Korkis' other books. Well done!

The Rosetta Stone of Disney Magic
Warning! There be secrets ahead. Disney secrets. Mickey doesn't want you to know how the magic is made, but Jim Korkis knows, and if you read Jim's book, you'll know, too. Put the kids to bed. Pull those curtains. Power down that iPhone. Let's keep this just between us... If you've come expecting more of the same Disney trivia, you're in for a surprise. This is not a Disney trivia book. It's a book of Disney secrets, each exactly two pages long, and each brimming with backstage lore. Jim Korkis gathered these secrets when he worked at Walt Disney World as an instructor at Disney University. They're all true. They're all cool. And they include: How the popularity of Typhoon Lagoon and Blizzard Beach meant the doom of an important piece of Disney history
United Arab Emirates, Equatorial Africa, Costa Rica, and other planned Epcot pavilions that never were
Disney's original plans for Figment, how corporate politics turned him purple, and why the Dreamfinder shrunk
Wilderness Junction, the Alpine Resort, the Enchanted Snow Palace Ride, and other abandoned attractions
Beacon Joe, the character you've never heard of, even though he appears numerous times throughout Disney World
