Virginia Van Der Veer Hamilton, Jacqueline A. Matte : Seeing Historic Alabama: Fifteen Guided Tours before purchasing it in order to gauge whether or not it would be worth my time, and all praised Seeing Historic Alabama: Fifteen Guided Tours:

1 of 1 people found the following review helpful. Great history professor By Bamagrando Did not realize who the author was. Great history professor! Enjoyed having a guide to places to visit in Alabama. Already visited one and looking forward to visiting more. 0 of 0 people found the following review helpful. Expectations By Sonya Newman Very much so. Terrific. Wish every state would do one. 0 of 0 people found the following review helpful. Not

worth the money. By Kindle CustomerToo outdated.

Useful. That word describes this book. Don't drive anywhere in this state without taking along this useful, handy guide. Originally published in 1982, Professor Hamilton's much acclaimed Seeing Historic Alabama: Fifteen Guided Tours was enthusiastically received around the state. Reviewers throughout Alabama praised her work, her artist's eye for landscape and architecture, as well as her "historian's devotion to fact and motorist's appreciation for specific directions." This praise extended beyond the state lines to publications in the greater Southeast, which recommend the volume to readers planning travel to or through Alabama. Hamilton and Matte's thoroughly revised and updated edition of Seeing Historic Alabama introduces readers to the history of Alabama by way of visits to the buildings and sites where historic events took place, from prehistoric time to the present. Its aim is to appeal to a wide range of readers and travelers--natives and residents of Alabama, students of all ages, newcomers to the state, and tourists. This guide offers tours arranged in geographical segments that can be taken in a few hours, in a day trip, or over the course of several days. A handy guide to keep at ready in the glove compartment for easy reference wherever you travel.

"The intrepid traveler will see the real Alabama in all its richness and variety. Hamilton has provided a great service to the state."
