**Russell D. Flores : Seen, Un-Seen Disneyland: What You See at Disneyland, but Never Really See** before purchasing it in order to gage whether or not it would be worth my time, and all praised Seen, Un-Seen Disneyland: What You See at Disneyland, but Never Really See:

7 of 7 people found the following review helpful. Wish there was moreBy PounceyAfter finishing the book, I found that I wished there was more content. What it contained was great, but it left me with the feeling that it was just the tip

of the proverbial iceberg. There has to be more to Disneyland behind the scenes than this. 3 of 3 people found the following review helpful. awesome book! By joey bought this book before my first trip to disneyland, it gave me something to do on the flight to cali, made my visit a little more interesting. lots of facts photos! it was like a scavenger hunt while enjoying the park. 0 of 0 people found the following review helpful. Take the time to really look at Disneyland By David Ledferd As an avid Disneyland fan I found this book really enjoyable! I am one of those who takes time to notice the little things through out the park and was pleasantly surprised to find a book with all the things people look at many times but never notice. Nicely written with a vast variety and many pictures past and present. A great buy!

Seen, Un-Seen Disneyland documents and highlights the many obscure and unique details that are built within Walt Disney's Disneyland. With over 325 full-color images, Russell Flores brings to life and to sight the many wonders that Disney Imagineers have thoughtfully placed inside the Magic Kingdom. Stories, trivia, and over a dozen quizzes are part of this unique and first-of-its-kind book. Learn about things that visitors often see but not notice when visiting Disneyland. This book will make all subsequent visits to Disneyland that much more magical and inviting.

About the Author Raised on the Central California Coast, Russell Flores grew up as a regular visitor to Disneyland. His recognition of the many intimate and obscure details that help make Disneyland a unique and magical place for so many made him want to document many of these fascinating and uncommon features in a colorful and detailed book. Seen, Un-Seen Disneyland is a culmination of years of research and includes over 325 full-color images that document these unique Disneyland details that so many people miss. Russell and his wife now live in Antelope, California.
