Carolyn Hart : Set Sail for Murder: A Henrie O Mystery (Henrie O Mysteries) before purchasing it in order to gage whether or not it would be worth my time, and all praised Set Sail for Murder: A Henrie O Mystery (Henrie O Mysteries):

1 of 1 people found the following review helpful. A perfect companion for our own baltic cruiseBy Page TurnerAlthough nothing out of the ordinary the book was great for a "beach read" on our cruise on the Baltic Sea. The main character is an intelligent middle aged woman who reasons her way through the puzzle of the murdered woman's

tangled facial relationships. A good way to pass the time without missing early port calls (you won't be up all night with this one)1 of 1 people found the following review helpful. liked the settingBy Sherrill O.Using a transatlantic ship's voyage as a setting added interest to the story, especially for those of us not fortunate enough to have had the opportunity. Well plotted and interesting characters.1 of 1 people found the following review helpful. Cruising leads to geography in this mysteryBy JB LeBoutIt was hard to like all but the two main characters. So not as enjoyable as usual.

When retired newspaper reporter Henrietta O'Dwyer Collins, Henrie O to her friends, receives a call for help, she discovers that love once kindled never burns to ashes. Although she refused Jimmy Lennox's marriage proposal, there is still a special place for him in her heart. She wished him well when he found happiness with Sophia Montgomery, world-famous documentary filmmaker and stepmother to the now grown heirs of a great fortune. Sophia is at odds with the heirs, and Jimmy fears for her safety. He asks Henrie O to come along with the family on a Baltic cruise. Henrie O can't turn down her old friend, though old passions are stirred when he calls. On the voyage she soon realizes this dysfunctional family is plunging toward destruction and one of the travelers has murder in mind. As the ports of call pass Copenhagen, Gdynia, Tallinn, St. Petersburg death inexorably approaches. Henrie O works desperately to save Jimmy and to bring hope to lives blighted by anger, resentment, and heartbreak.

From Publishers WeeklyIn the long-awaited seventh installment of Hart's popular series starring feisty retired journalist Henrie O (after 2001's *Resort to Murder*), Henrie O's erstwhile lover, Jimmy, has married another woman, the dashing Sophia Montgomery, and he's afraid that one of Sophia's stepchildren from a previous marriage is trying to kill her. When Jimmy begs Henrie O to accompany his family on a cruise and get to the bottom of the suspicious accidents that keep befalling Sophia, she reluctantly agrees. It turns out that Sophia's stepkids have plenty of reasons to hate her, not least that she stands in the way of their inheritance. The scheming stepkids are predictable and two-dimensional, but Henrie O remains a complex character, and her struggles to keep her feelings for Jimmy platonic are every bit as engaging as the putative mystery. Henrie O's fans, and devotees of Hart's lighter *Death on Demand* series, will enjoy this quick read. (Apr.) Copyright Reed Business Information, a division of Reed Elsevier Inc. All rights reserved. From BooklistRetired newswoman Henrie O Collins sails on a two-week Baltic cruise to help out an old friend and former boyfriend, James Lennox, who is concerned that someone is trying to kill his wife, documentary filmmaker Sophia Montgomery. James believes that there have already been two attempts on Sophia's life, and he suspects that one of her second husband's children is out to kill her because she controls when they will receive their inheritance. The whole family is required to go on the cruise, during which Sophia will announce her decision regarding the inheritance. James wants Henrie O to help protect Sophia, who believes James' concerns are ridiculous, and to determine which child is the would-be killer. Framed by descriptions of the lovely Baltic ports of call, Hart's seventh in the Henrie O series combines engaging subordinate characters and surprising plot twists with the charms of Henrie O herself, who grapples with her past feelings for James while trying to solve the case. Sue O'Brien Copyright American Library Association. All rights reserved About the AuthorAn accomplished master of mystery, Carolyn Hart is the author of twenty previous *Death on Demand* novels. Her books have won multiple Agatha, Anthony, and Macavity Awards. She is also the creator of the Henrie O series, featuring a retired reporter, and the Bailey Ruth series, starring an impetuous, redheaded ghost. One of the founders of Sisters in Crime, Hart lives in Oklahoma City.
