**Gridlock Sam : Shadow Traffic's New York Shortcuts and Traffic Tips: By Gridlock Sam** before purchasing it in order to gage whether or not it would be worth my time, and all praised Shadow Traffic's New York Shortcuts and Traffic Tips: By Gridlock Sam:

4 of 4 people found the following review helpful. A boon to novice and old hand alike for driving around NYCBy Richard M. HowlandWhen at law school in New York in 1965, I drove taxicab at night and learned a great deal about the city in three years. Today when I visit the city many old tricks work, but many changes mean more new ones are needed. This book fills a great need for me, and I think I know my way around. A newcomer can do nothing but benefit from as much of this book as they choose to master. I carry it in the car in case I will be driving there where my daughter lives and works. Keeping traffic in motion is the secret to city driving and pleasure.0 of 0 people found the following review helpful. Five StarsBy cygnet52Time saver! Bought this for a friend.5 of 5 people found the following review helpful. A MUST FOR ANYONE WHO LIVES IN OR TRAVELS TO THE NYC AREABy A CustomerThis book has wonderful tips for traveling in and around the city (it even has tips for getting out to the Hamptons without losing your mind!) A great book to own and a fun book to give.

Whether going crosstown, uptown, or out of town, drivers will find maneuvering in and around New York City much easier with this one-of-a-kind guide filled with detailed directions, shortcuts, and escape routes designed to ease even

the worst traffic headaches. 72 color maps.
