Jeffrey Perls : Shawangunks Trail Companion: A Complete Guide to Hiking, Mountain Biking, Cross-Country Skiing, and More Only 90 Miles from New York City before purchasing it in order to gage whether or not it would be worth my time, and all praised Shawangunks Trail Companion: A Complete Guide to Hiking, Mountain Biking, Cross-Country Skiing, and More Only 90 Miles from New York City:

0 of 0 people found the following review helpful. Five StarsBy William K. KeeganThis book was everything I was looking for in a hiking guide for this region.

This comprehensive trail guide describes hiking, mountain biking, and cross-country skiing routes on more than 200 miles of trails in New York State's legendary Shawangunk Mountain Range. The 50-mile-long Shawangunk Ridge features some of the most interesting and spectacular scenery in the Northeast. This well-known landform is located less than 90 miles from New York City and less than a day's drive from more than 40 million people. Much of the ridge is open to the public as preserve land and state park. The combination of beauty, countless recreational possibilities, and easy access make this one of the Northeast region's most popular weekend and vacation destinations. It is estimated that nearly half a million people visit the Shawangunks every year. Many come to hike, mountain bike, or cross-country ski the more than 200 miles of trails that crisscross the ridge. Now Jeffrey Perls has created this comprehensive handbook and guide, detailing how to get there and what to do on nearly every mile of trail. The Shawangunks Trail Companion is the first and only book to provide both a thorough description of the landform as well as a complete guide to its trails. 22 black white photographs, 15 maps, index.

About the AuthorJeffrey Perls is an environmentalist and outdoor enthusiast who has been exploring the Shawangunk region for more than 14 years. He has been a trail maintainer in Minnewaska State Park and has led numerous outings in the Shawangunks. He has served in various capacities on the board of the Mid-Hudson Sierra Club and has been active in efforts to protect Shawangunk lands. He is also the author of Paths along the Hudson: A Guide to Hiking and Biking. Perls lives in New Paltz, New York.
