Carol Barrington, Shifra Stein : Shifra Stein's Day Trips from Houston: Getaways Less Than Two Hours Away before purchasing it in order to gage whether or not it would be worth my time, and all praised Shifra Stein's Day Trips from Houston: Getaways Less Than Two Hours Away:

Enjoy a welcome change of pace and discover a world you may not know exists in your own backyard. Day Trips describes hundreds of fascinating, exciting (and many free of charge) things to do, most within a two-hour drive of Houston. Take a nighttime tour of Little Cypress Bayou, near Orange, to see alligators, foxes, and other animals in their own habitat. Partake in San Felipe's Annual Colonial Texas Heritage Festival and witness Buffalo soldier reenactments, living history demonstrations, and, of course, sample the buffalo barbecue. Venture to the prairie town of Katy and its Forbidden Gardens, an open-air museum that authentically replicates exotic Chinese palaces and scenes of life over many centuries. Each Day Trip includes travel directions, destination highlights, other places to visit along the way, choice restaurants and lodging (including price ranges) and shopping.
