**Mark Weinberger : Short Bike Rides in Minnesota (Short Bike Rides Series)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Short Bike Rides in Minnesota (Short Bike Rides Series):

1 of 2 people found the following review helpful. Great RidesBy BpHe is an interesting writer and has covered all the bases on the rides he chose. Very good. Think he needs to write an update. Bonnie

Globe Pequot's Short Bike Rides "TM" series offers delightful short and moderate tours for all levels of cyclists. Each ride profile includes precise directions, excellent road maps, and vivid descriptions of the points of interest along the way. Also featured is "comfort" information -- the location of restaurants, bathroom facilities, and attractions located

along the route. Featuring a ride through Afton Park along the St. Croix River, a rail-to-trail trip along the Gateway Trail, and a scenic excursion along Lake Superior. "Day-trippers should check this series -- some revised -- some new editions -- of Short Bike Rides..". -- Self

From the Back Cover From farm land to forests, antiques shops to fish hatcheries, bikers of all levels and interests will find what they're looking for on these rides. This guide will take cyclists through some of the most beautiful country in the state. Having biked most of the state, the author has compiled the best of the best. Highlights include following the St. Croix River through Afton Park, enjoying the scenery along Lake Superior and following the Mississippi River through Red Wing. Each ride includes precise directions, excellent route maps and vivid descriptions of attractions along the way.
