Peterson's : Short Term Study Programs Abroad 2005 before purchasing it in order to gage whether or not it would be worth my time, and all praised Short Term Study Programs Abroad 2005:

Ideal for students looking for a shorter overseas experience, this counterpart to Study Abroad 2004 presents readers with updated descriptions of more than 1,700 once-in-a-lifetime summer academic, volunteer, and foreign language programs. In addition to eligibility requirement, living arrangements, and financial aid, it also offers special advice for students interested in nontraditional destinations.

From the PublisherFeatures and Benefits: -Informative data profiles on more than 1,600 overseas programs -Helpful advice and articles on the essentials of studying abroad (passports, visas, ID cards, money, and more), nontraditional

destinations, volunteering abroad, meaningful challenges, exchange for people with disabilities, and traveling smart (staying on budget, drinking the water, and safety) -Catchy, informative advertisements and photos submitted by employers -Searchable indexes by field of study, program sponsors, host institutions, and internship programs -Fully-updated and revised
