Barry Anderson : Short Trips in the Pacific Northwest: 52 Weekend Destinaton from Seattle and Portland before purchasing it in order to gage whether or not it would be worth my time, and all praised Short Trips in the Pacific Northwest: 52 Weekend Destinaton from Seattle and Portland:

0 of 0 people found the following review helpful. A great guideBy nanhI bought the 1992 edition for our first trip to

the Seattle area 10 years ago. We have been back several times, and I still use it as a general guide. The directions for driving to the various places were wonderful as were the general descriptions of the sites.

Famous for its thriving culture, pristine beauty, and delicacies like fresh-caught salmon, the Pacific Northwest is an area that's ripe for exploration. First published in 1992, this revised edition of the popular guide provides 52 updated weekend itineraries, each with a new listing of restaurants, lodging, and special events, all within 250 miles of Seattle and Portland.

From the Inside Flap Hundreds of ideas for what to see and do are included in 52 revised and updated, easy-to-follow itineraries that take you throughout Washington and Oregon and across the border into British Columbia—from Puget Sound and the Olympic Peninsula to Vancouver Island, the Cascade Mountains, and beyond. Tour the wine country, visit an Indian reservation, view the magnificent falls at Columbia River Gorge, or browse for antiques in a nineteenth-century town. Ski, fish, hike, whale watch, or just sit and enjoy a concert under the stars. And don't forget to stop for tea at Victoria's grand old Empress Hotel. You can do it all within approximately 250 miles of Seattle or Portland. Travel directions are provided for each itinerary, as are updated listings of special events, restaurants, and lodgings. About the Author Barry and Hilda Anderson have been in the travel journalism business for more than 35 years and have written more than 1,500 articles for magazines and newspapers, including *Better Homes and Gardens*, *Travel and Leisure*, *Modern Maturity*, *The Denver Post*, *Los Angeles Times*, and *Chicago Sun-Times*. Hilda has written the "Short Trips" column for the *Seattle Post-Intelligencer* for 17 years. They have also contributed to such major travel series as *Fodor's*, *Shell Auto Club*, and *Fischer's USA*. Both are past presidents of the Society of American Travel Writers. They live on Washington's Quimper Peninsula.
