**Perry McDonough Collins : Siberian Journey: Down the Amur to the Pacific, 1856-1857** before purchasing it in order to gage whether or not it would be worth my time, and all praised Siberian Journey: Down the Amur to the Pacific, 1856-1857:

Perry McDonough Collins was the first American to journey through Siberia and down the 2,690-mile Amur River to the Pacific Ocean. In 1860 he wrote *A Voyage Down the Amoor*, an account of his adventures, and his book proved so popular that it was reissued in 1864. *Siberian Journey* consists of Collins original text framed by an interpretive introduction and explanatory notes by Charles Vevier, providing an extensive, first-hand account of Russias land and its people in the midnineteenth century.

A book of genuine value and interest not only to those concerned with Siberia but to anyone who likes great journeys. John A. Harrison, *Journal of Asian Studies*
