**Steven W. Siler : Signature Tastes of Charleston: Favorite Recipes from our Local Restaurants** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Signature Tastes of Charleston: Favorite Recipes from our Local Restaurants:

2 of 3 people found the following review helpful. Best of the best! By Jenna Marie Bradley Charleston is a small, southern city with amazing restaurants and cuisines. Restaurants here frequently change their menus to stay up-to-date

on the use of local, seasonal product. Signature Tastes' Charleston edition is spectacular because it features some of the areas best restaurants and signature dishes. As a local, I appreciate the chance to get my hands on these recipes before the dish is replaced and I believe anyone, anywhere will appreciate these amazing dishes. If you need a taste of fine, southern living, this is the cookbook for you!

Named by the Charleston (SC) Convention and Visitor's Bureau as one of the "Official Cookbooks of Charleston"

From the Back Cover"Charleston has a landscape that encourages intimacy and partisanship. I have heard it said that an inoculation to the sights and smells of the Carolina lowcountry is an almost irreversible antidote to the charms of other landscapes, other alien geographies. You can be moved profoundly by other vistas, by other oceans, by soaring mountain ranges, but you can never be seduced. You can even forsake the lowcountry, renounce it for other climates, but you can never completely escape the sensuous, semitropical pull of Charleston and her marshes."
