**Steven W. Siler : Signature Tastes of Portland: Favorite Recipes of our Local Restaurants** before purchasing it in order to gage whether or not it would be worth my time, and all praised Signature Tastes of Portland: Favorite Recipes of our Local Restaurants:

Do you remember enjoying a meal at that famous restaurant, and wishing you could get the recipe? Or visiting a city and eating at that cute little caf that everyone raved about? Well now, you literally have your cake and eat it too. Or at least the recipe for the cake. Signature Tastes of Portland captures the recipes that define the City of Roses. From the famous Bacon Maple Donut at Voodoo Donuts, to the old-world elegance of Veritable Quandary, these are the

restaurants, recipes and pictures that define the culinary tastes of Portland.
