Sacramento native Viki Benbow has been a professional tennis player, a civil servant working in the Lt. Governors office under Ronald Reagan, an avid sportswoman excelling in hunting and fishing, and for the last 4 decades a successful real estate professional. Viki loves the Sacramento area which offers so much for recreationalists like her, as well as being a wonderful place to raise a family. Known as the Real Estate Huntress, Viki also loves the thrill of helping home buyers hunt for the home of their dreams, or home sellers hunt for the ideal buyer for their residence. Vikis book Signed, Sealed and Sold will help anyone in the Greater Sacramento area sell their home faster, at the best price with the least amount of stress. Viki appears each morning on my radio show with her Real Estate Minute, and Im constantly amazed by the depth of her knowledge and experience. A consummate professional, she assesses every aspect of a real estate transaction, helping to avoid the pitfalls and complications most of us would never even consider.
