Joyce Lewis : Travel Journal: A Notebook Diary before purchasing it in order to gage whether or not it would be worth my time, and all praised Travel Journal: A Notebook Diary:

1 of 1 people found the following review helpful. Four StarsBy Debra DouglasGreat!

Are you planning for a vacation or perhaps even a business trip? You might have heard of a Travel Journal but have yet to personally experienced the benefits and joys of travel journaling. You can begin doing so with this travel journal

book for your coming trip. This book is uniquely crafted to be more than merely a traditionally styled diary with just lined pages. It is much more innovative and interesting with carefully chosen quotes on travel, images and icons related to traveling, a list of writing prompts for your entries among other things. So even if you have never before used a travel journal, it will be easy to begin your journey into travel journaling. *Travel Journey: A Notebook Diary* is essentially a tool for you to keep track of your planning for the trip, your experiences during the trip, and be a useful source of reference for future travels based upon what you recorded. It will also be something enjoyable to look back on years after the events are over. You get to relived past memories and experiences or shared them with loved ones. As a journal, it is essentially a diary or a personal notebook with lined pages for you to write your feelings and experiences of your travel. It is a place where you can write about trips you have taken, the things you learned during and the experiences you had. These will have ended up as a collection of adventures, stories, memories and discovery. It doesn't matter where you're going or who you're traveling with; you ought to seriously consider taking along a travel journal book. Included in this journal book are the following: Inspiring and thought-provoking quotes on travel Interesting and relevant images to brighten up your days Tips on keeping a travel journal Suggestions on writing travel journals for adults Prompts to help in writing your journal entries Enjoy your travel and your journey in travel journaling.
