**Mish Slade : Travel Like A Pro: Road-Tested Tips for Digital Nomads and Frequent Travelers** before purchasing it in order to gage whether or not it would be worth my time, and all praised Travel Like A Pro: Road-Tested Tips for Digital Nomads and Frequent Travelers:

4 of 4 people found the following review helpful. Jam-packed with helpful relevant info for digital nomads  
By Kelly O  
This book is jam-packed with so much relevant information for "digital nomads"! More and more people are living this lifestyle or WANT to live this lifestyle. Even a somewhat experienced traveler like me learned a lot from this book, like packing tips, how to book the best flight (I thought I knew all the best sites but I learned more), how to ask the right questions to book the perfect Airbnb, insurance, and there's a helpful part at the end that sums it all up. The writing style is entertaining, casual, and straight to the point (I hate books that are padded with lots of fluff). I'm sure this book is going to help so many people!  
3 of 3 people found the following review helpful. A no-brainer for travel noobs and experts alike  
By TKR  
The perfect "how to guide" for anyone getting started with frequent travel/nomadism or that just want to become a travel ninja. As a long time digital nomad myself, I knew many of the tips in the book (and I can personally attest to their usefulness and accuracy), but even I learned a few neat tricks. It's a pretty quick read, but also functions well as a reference book whenever you need some input for a specific travel situation.  
1 of 1 people found the following review helpful. Awesome book for digital nomads  
By Customer  
Im a huge fan of Mish from MakingItAnywhere.com and have read several of her books. This one is - like the others - a great resource and full of practical and insightful tips'n'tricks for anyone planning to travel for an extended period of time. The author has a great sense of humor, which makes the book an enjoyable read. It's fair to say, that the author herself have a whole lot of travel experience, which makes the book a practical "how-to" guide for anyone who wants to become more mobile and essential better of traveling. As a reader you learn from Mish's experiences instead of having to find it all out by yourself. I highly recommend this book to anyone who are considering a digital nomad kind-of-lifestyle, planning an around-the-world trip or just an extended or longer vacation.

A fun, info-packed read to turn your travel from panicked to pro  
Its an amazing privilege to be able to zip all over the planet. But the process of travel can be exhausting, panic-inducing and complicated even when you do it all the time. Perplexing flight options, overpriced accommodation and dragging a wobbly-wheeled suitcase through an awful airport are enough to take the gloss off even the funnest of trips. It doesnt have to be that way: Travel Like A Pro is an entertaining, practical guide to becoming effortlessly mobile. With road-tested tips on everything from packing and flights to visas and insurance and countless links to extra recommendations and resources its for anyone who wants to skip the stress and glide through their globetrotting life. In the book youll learn:  
What you should always take with you, and whats really not worth the extra weight  
How to protect yourself, and your stuff, with the right insurance  
A system for booking the cheapest flights without being forced into indirect routes and layovers, or having the experience take over your life  
Handy hints for surviving the airport and hacking carry-on baggage allowances  
Where to find the very best travel gear  
Which handy websites will make your trips a triumph  
This book isnt about seeing the world on \$50 a day. Its for people who want to get there and get sorted minus the aggravation and confusion that plague most people who just take a couple of trips a year. With practical advice, plenty of jokes and over a hundred links to extra resources and material, Travel Like A Pro is the perfect travel companion for digital nomads, frequent travellers and anyone who wants to see the world but get the hell on with it. Scroll to the top of the page and click Look Inside for a preview!

About the Author  
Mish Slade has spent three years as a digital nomad running her businesses from over 20 different countries, and blogging about the experience on makingitanywhere.com. She travels with nothing but a backpack (and her husband), and has travel down to the finest of arts yet still cant quite be trusted not to make jokes while going through security.
